

INTRODUCING OUR CULTURE COACH SERVICE

What is it, and how can it benefit your organisation?

www.pecanpartnership.co.uk

WHAT IS THE CULTURE COACH SERVICE?

Pecan's culture coach service gives you timely, efficient, relevant and easy access to culture and engagement expertise, complementing and growing your inhouse knowledge and capacity.

BUDGET

Not every organisation has the budget or resources to invest in culture change as much as they would like

We know that culture is fundamental to an organisation's success

And the research backs this up

94%

of executives believe a distinctive culture is important to business success

Source: [Deloitte Core Beliefs and Culture](#)

x4

increase in revenue growth when the organisation's culture is strong

Source: [Culture IQ Culture Employee Engagement](#)

12%

only of executives believe their company is driving the 'right culture'

Source: [Deloitte Human Capital Trends](#)

BENEFITS

So why should only big organisations with deep pockets get access to tried and tested culture change frameworks and deep expertise to help

- ✓ Shift mindsets and behaviours
- ✓ Modernise ways of working
- ✓ Transform relationships

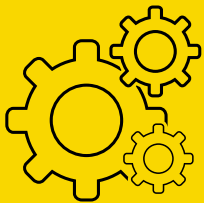

If you're leading culture change in your workplace and need

A trusted partner who cares about your organisation

Regular support from an experienced consultant

Access to our tools and frameworks

At a fraction of the cost of typical consulting services
